Dr. David Mouser is an educational leader with a relentless interest in issues of improving opportunities for every student to excel. As superintendent of Tri-Valley High School in Downs (IL), Dr. Mouser models innovative leadership with a focus on improving teaching and learning – for every student. He has success providing perspective on the lasting IMPACT that we all can make on students and each other. His message incorporates personal experience, good and bad, to encourage us to become better educators. Attendees will walk away with a more positive outlook on their importance in the classroom.

As an educator, David was responsible for turning around an agriculture program with only 25 students in 1997 to a program with over 165 students only a year later. The FFA chapter ranked among the best in Illinois and the United States. He continually had students that succeeded locally and at the state level in various contests and activities. David was named the McLean County High School Teacher of the Year in 2001. He was named to the top 20 under 40 by the Bloomington, Illinois Pantagraph in 2010. He currently serves as the Superintendent at Tri-Valley CUSD #3 in Downs, Illinois. Prior to that, he was the High School Principal at Tri-Valley High School. A year after his arrival, Tri-Valley High School was named a Chicago Sun Times top 50 high school in Illinois. In 2010, Tri-Valley High School was awarded the National Blue Ribbon Award as one of the top high schools in the Nation.

“Dr. Mouser is an entertaining and informative speaker.” Karen Witte (Millstadt School District Classroom Teacher)

“The blend of facts and classroom experience helped establish a rapport with the teachers not often achieved by a speaker. I appreciate the smiles you brought to their faces and the sense of pride you left in their hearts.” (Jim Craft, Executive director of Illinois FFA)

“His themes are universal and built on the successes he has experienced as an educator. I am positive, without hesitation, that any educator that is privy to his message will walk away with a more positive outlook on their importance in the classroom” (Patrick Martin, Illinois School Superintendent, Washington Il.)
